Archimita ten on one side of the page only, and with Act'g Adj't, addresses, from "Head Quar. ters. Cavalry Detachment, District of St.

Mary's, Leonardtown, Maryland," an order to the Publisher and Proprietor of the St. Mary's Gazette, Leonardtown, Md., notifying him that the Commander of the detachment desires that he will not publish or make any alinsion in the Control of the Con not publish or make any allusion in the Gazette to the "treasonable and disgrace-ful speech" of the member of Congress from that District, delivered in the House of Representatives on the 9th instant.

This was only a fair sample of the con-War is the fruitful dam of abuses and This was only a fair sample of the conlong time treasonable to imagine compable unconstitutionality of the Cowfed- whole war. The Congress, in the third Bosson. the claim of power, preferred by it on tary despotism, did adopt the Northern behalf of the Confederate Government, code as to treasonable utterances, and Editors Menuphits Appeal:

quite as legitimately as it could fill them by recruits accepted singly.

That the matter was so discussed, however, is of no small significance. We suppose few men doubted, under the old Constitution, that the United States could only have the services of the militia of the States by calling upon the pointers and prosperity and upon the militia of the States by calling upon the temporary and upon the property but what means the description of business and prosperity but what means the foundation of the states of the country, and upon the temporary and upon the planters by this year's effort to make contains any that were ever held on this continent. In view of the moral influence they will exert upon the political, material and other Northern States on Tuesday direct thousand dollars has been lost to the planters by this year's effort to make contains any that were ever held on this continent. In view of the moral influence they will exert upon the political, material and the doubted, under the fall of 1853, even after the fall of 1853, even after the this continent. In view of the moral influence they will exert upon the political, material and the above the substitution. In provisions for hands and the fall of 1853, even after the other than the above the substitution. In provisions for hands and the Board of Health had decared the content. In view of the moral influence they will exert upon the political, material and the above the substitution to the substitution to the any of the substitution to the any of th militia of the States by ealling upon the States by ealling upon the States to furnish their quotas. And character of our civilization and the perJudge Woodward, of Pennsylvania, we manence of free representative Governin such a variety of soit and climate? It United States for the computary drafting of men, was discovered for the second the constitutional as who is not deeply interested in the second to form the prepared color series of the Conservatives and Democrata, but the proper claimed by the Confederate conservatives and Democrata the States were claimed to be. The power claimed, the States were claimed to be. The power claimed, was the power to annihilate the States Governments triggether. The reade will already have seen how prompt the advocates of States-Rights have expected by the advocates of States-Rights have expected by the process of the Congruence of the States were consistent of the series and future welfare are more than that of any other heady of the series and future welfare are more severeign than ever the line of the state of the series and future welfare are more severeign than ever the line of the severe claimed to be. The power claimed, was the power to annihilate the State Governments stigether. The reade will already have seen how prompt the advocates of State-Rights have expendent to the high civilization which is the final times are the series of the control of th great upon the judicial conscience.

We should suppose that, by this time, most thinking men in the South would be satisfied, that, in this, as in other matters, in a war fought to establish or vindicate the rights of the States, under States' rights leaders, it would have been when and better to respect the rights of the States and better to respect the rights of which he has participated, demonstrate and better to respect the rights of the States, and the perit and temper that now characterize them, the time is rapidly approaching when this will be a Pandemonium in a state of active ebullition. It is in those as a policy for interest, it so happens, is the very fact used by the Jacobin Destructives as an argument why the negro should be proaching when this will be a Pandemonium in a state of active ebullition. It hope not to be here to witness the catastrophe. Yours truly, will be a Pandemonium in a state of active ebullition. It hope not to be here to witness the catastrophe. DASHERS.

FINLEY'S CHURN DASHER.

WHY, ONE OF THE GOT ONE OF THEM "FINLEY YET? GOT ONE CHURN

WHY DO YOU ASK ME THAT QUESTION, SIR : ove of them is needed, no doubt, and that hadly, among your household conven

OF WHAT, SIR?

res, that the laborious and troublesome item of churning may become an agreeable rooms tion to the ladies, upon where such duties usually devolve. What's the article? What's the description? What's it do, pray, Sir?

Well, it is simply two screw-propeller wheels attached to the lower end of a staff or hundle which is placed in the "old feshioned" wooden or un churn, and worked in the same man-ner predicts as the "old Dacher" those two Wheels revolve rapidly and in counter directions at every up and down movement of the "Deaher," completely disengaging and cutting the creum into the minutest particles; while at the same time by aid of the "air beds" in each diwishout of the who els, keeps the whole bulk of the cream supplied with exestant currents of fresh siz, thus securing by the simplest process the true principles of "Good Butter Making"

Well, sir, is the thing simple-very simple? Why, so very simple when seen, that not a word of explanation is necessary. Why "Biddy," " Aunt Innah," or the eight year old child can both and raided and use it, and couldn't for signed their lives inoughne any other purpose for it. Is it durable and substantial, sir? It is made of the best Sheet Zino-will not rust-strong-next, and with ordinary care, will

last as long as you and your grand-children's children. Long enough; well, my friend, does it make GOOD BUTTER COMMISSION MERCHANTS and QUICK? It does not only make cond Beller, but about ONE FOURTH MORE to a given ar cream, under like circumstances of quality and temperature, and in about ONE HALF THE TIME required by the use of the "old dashet." Am, however, quite ready to confess that it will set make Butter as court as the bounted "Five Minute" and other "lightning" Churns, nor

ould we have it so quick; for the very plain and simple reason that the extraordinarity rapid essention of such Commas violds as the result a more of SOAT, LAHDY, amounting stuff, instead of those RICH, GRAINT, WAXY, FIRM and LIVELY QUALITIES which constitute REAL ons past, and do I understand you that nothing more is required than one of the "FIN-LEY DASHERTS Nothing else whatever to complete tipe SIMPLEST, CHEAPEST, and MOST SATISFACE TORY CHURNING APPARATUS limit the world has get produced.
Well, friend, once more—excuse one, wir-right well pleased, but a little suspicie help it. Are you sure this is not one of the Yankee humburs one of the " Machine Natures." "Bub of the Universe Hams" sort of triebs; such hams that would, to look up

bring a "browl guage" grin to the phiz of the most fashings opicure, but with somewhat of a change in the "programme and wanery" when casting a sly peep at the cook after many fruitless efforts to slice a brail or two. Ugh! such cooks and such "tonguing" as all understand who have been "thusly done for." Methinics I discover a mutual sympathy, a similarity of experience and a similar determination to avoid all humburs, especially with the "Yankee" prefix. My friend, "FINLEF'S sale DASHER" IS NO HUMBUG not a bit of it, sir. The a "home invention," and will upon its self own true merits, win its way into every household in the land, North and South. The Dashe

Principal Depot for the Southern States for FINLEY'S CHURN DASHER, at the popular China Hall of SASTLAND, LLOYD & GILBERT, No. 3dl Main street, Memphis, Tenn., and for sale by agents everywhere.
